

PREPAREDNESS WORKSHOP

Topics to include:

Wildland Fires

How is National City affected by wildland fires? The role Fire Safe Councils serve and how National City can develop a Community Wildfire Protection Plan.

Tsunami Threats

What is a tsunami? Information National City residents should know about threats facing our local coastlines and what to do in the event of an evacuation order.

211 San Diego

What is 211 San Diego? What you should know about obtaining up-to-date disaster information and where to find assistance and resources during the recovery phase.

American Red Cross

What should I do to be prepared for a disaster? Items you should include in a disaster kit to be prepared in the event of a disaster.

June 18 – 6:00 pm

MLK Community Center
140 E. 12th Street
