

Non-Action Item II- Chamber of Commerce Salute to Navy Luncheon, October 14, 2021

National City's Salute to Navy has been a longstanding tradition for the past 63 years. The National City Chamber of Commerce holds this event every year during the month of October which celebrates the Navy's birthday. This is the first and longest running event of its kind in the United States.

We recognized the long and mutually supportive association between the military in San Diego and the community specifically the strong ties between National City and its Naval Station neighbor. This event is an opportunity to express city wide gratitude to our armed forces and highlight the Navy's impact on the local and regional economy such as their contributions to education, workforce development, national security, and economic development.

Thursday October 14, 2021
11:00 am to 1:30 pm
MLK Jr. Community Center
140 E 12th St, National City, CA 91950
