

## **Action Item IV- Discussion and selection of representation for the National Association of Civilian Oversight of Law Enforcement (NACOLE) 27th Annual Conference**

The National Association for Civilian Oversight of Law Enforcement (NACOLE) is a non-profit organization that brings together individuals and agencies working to establish or improve oversight of police officers in the United States. NACOLE welcomes people and organizations committed to fair and professional law enforcement that is responsive to community needs. NACOLE organizes an annual training conference to increase the knowledge and skills of staff members and volunteers who work in oversight.

The CPRC Commissioners had the opportunity to attend the 2020 NACOLE conference virtually last year due to COVID-19.

This year's conference will include an in-person component with in-depth training for those interested in or doing the work of civilian oversight of law enforcement, jails, or prisons. The in-person component will be held December 12-16, 2021 in Tucson, Arizona.
