

**National City Community and Police Relations Commission
Operating Procedures**

Article I. Purpose and Legal Considerations

Section 1.01 In October 2003, the City Council established the Community and Police Relations Commission (hereafter referred to as “Commission”). The Commission is to serve as an independent, unbiased and impartial office that is to be readily available to the public. The Commission shall be a medium for the improvement of police-community relations, and to facilitate mediation of disputes whenever possible. The Commission will provide a forum for Citizens to voice their concerns or comments about police conduct, practices and policies, and ameliorate adversity between Citizens and the National City Police hereafter referred to as “Department”). To carry out these functions, the Commission will function through the Office of the City Manager, to whom the Chief of Police reports.

The Commission is authorized to receive, investigate and review citizen complaints regarding Department personnel for alleged misconduct, and to recommend appropriate changes of Department policies and procedures toward the goals of safeguarding the rights of all persons and promoting higher standards of competency, efficiency and justice in the provision of community policing services. These Operating Procedures are not intended to replace or diminish the procedures already in place in the Department for investigating citizen complaints, but are intended as a method of supplementing those procedures in order to establish an element of transparency to the citizenry for the handling of those complaints.

The Commission shall not be required to conduct independent investigations when it is satisfied that its oversight responsibility can be satisfied by the monitoring and review of a Departmental investigation into a complaint. In this respect, the Commission shall be considered an integral part of the City’s management structure as an adjunct to the internal Department processing of citizen complaints, with an independent overview status to ensure transparency and correctness of process for the public.

The COMMISSION therefore adopts these operating procedures in furtherance of those objectives. These operating procedures shall define the authority and protocols of the COMMISSION and are hereby recommended for adoption by the Council in furtherance of the Council’s objectives.

Section 1.02 In the conduct of its affairs, the Commission will observe all applicable requirements of state and local law, including the following which have been summarized as follows:

(a) The Police Officers Bill of Rights (Government Code sections 3300, et seq.) which generally provides police officers certain protections and rights of representation and participation in

National City Community and Police Relations Commission
Operating Procedures

Investigations pertaining to their conduct, and the right of access to and comment upon any findings of that Investigation—whether positive or negative.

(b) Penal Code sections 832.5 and 832.7 which pertain to the procedures for Investigation of Complains involving police officers and safeguards against disclosure of the Findings of those Investigations and other information relating to police personnel files, except such specified disclosure as may be allowed only to the person who actually files the Complain.

(c) The Ralph M. Brown Act (Gov. Code, § 549501 et seq., hereinafter “the Brown Act,” or “the Act”) which shall govern open meetings for local government bodies.

(d) Department rules and procedures, which govern the rights and duties of Department personnel.

Section 1.03 Neither the Commission, Commission staff, nor any retained consultant shall comment upon or recommend the level of discipline for any officer pursuant to any review conducted under the authority of these operating procedures.

(a) Departmental discipline of any officer shall be independent of and not dependent upon any finding by the Commission or its review of any investigation. The Department will conduct discipline in a timely manner in accordance with law and its internal procedures.

(b) The Commission shall not interfere with the administration of the department, but shall make its recommendations for change or improvement to the Council, the City Manager or the Chief of Police, as appropriate, consistent with the operating procedures outlined herein.

Section 1.04 These operating procedures shall not be construed as restricting any individual from contacting the Mayor, the City Council, any individual Councilmember, the City Manager or the Chief of Police on any matter concerning the Department, whether favorable or adverse.
