SEQUENCING OPTIONS:

Sequencing After Map Adoption:
- ❑ City Council can choose the sequence by vote of majority; OR
- ❑ Have staff conduct a Random Draw, helping ensuring impartiality

If Random Draw is Preferred, City Council to decide:
- ❑ Pairing of Districts: Two numbers in the draw (example: odds and even numbers paired)
  #1 represents Paired Districts _X_ and _X_ = 2022 Election
  #2 represents Paired Districts _X_ and _X_ = 2024 Election

- ❑ Sequential Random Draw: Four District numbers put in the draw
  First two drawn represent the 2022 Election and second two represent 2024 Election

Provide direction to staff tonight on preferred Sequencing Method which will be used in open session on March 21 along with adoption of ordinance
