Annual School Supplies Giveaway

The National City Police Department will be holding the Annual School Supplies Giveaway on Wednesday, July 27, 2022 from 8am-1pm. Through partnerships and generous donations from the Walmart and Costco businesses in National City, along with the National City Police and Fire Foundation and the Kiwanis Club of National City, we will be able to deliver basic learning supplies to elementary schools within the National City School District.

National City police officers and professional staff members will gather at the National City Police Department right before 8am on July 27, 2022 and caravan to Olivewood Elementary, located at 2505 F Avenue in National City. Afterward, we will travel to Kimball Elementary, located at 302 W. 18th Street in National City.

Participating police officers and professional staff members will distribute these basic supplies directly to the students at each of the mentioned elementary schools while they are in their classrooms. This will provide a great opportunity for us to share our support, enthusiasm, and confidence in their abilities to excel as a student.

The National City Police Department is committed to work in partnership with the community to aid in the development of our young community members through education and training. Members of the media are encouraged to attend.
