Homicide Investigation

On 8/15/22, at about 0344 hours, National City police officers responded to 45 E. 26th Street to investigate a report of a stabbing. Officers arrived on scene and found a 69-year-old male victim gravely wounded inside that location. Medics were summoned and determined that the victim had succumbed to his injuries. The victim has been identified but his name will not be released pending notification of next of kin.

During the initial response by officers, a witness stated the suspect was last seen headed northbound in the 2300 block of "A" Avenue. Officers located the suspect, identified as Samantha June Gordon (40-year-old Spring Valley resident), on the property of a local auto dealership and detained her.

Gordon was arrested and taken to a local hospital for medical clearance. After she was medically cleared, Gordon was taken to NCPD to be processed. She will then be taken to the Las Colinas Women's Detention Center and booked on murder charges.
