## **STAFF REPORT**Board of Library Trustees

Prepared by: Danielle Ghio, Acting City Librarian Meeting Date: July 3, 2024

**SUBJECT**: City Librarian Report

**RECOMMENDATION:** Staff recommends Board of Library Trustees receive and file the City Librarian report.

### **STATEMENT ON SUBJECT:**

### **Summer Reading Program**

The annual Summer Reading program started on June 8. The theme this year is "The Great Outdoors" and staff are incorporating the theme into programs and prizes. This year's prizes include but are not limited to museum passes, in-n-out gift cards, panda express gift cards and books. The Summer Reading Program is for all ages and takes place June 8-Aug 3.

### **Summer Reading Programming**

Durning summer regular programming is placed on hold and a new slate of programming is designed for summer to better accommodate families' schedules. We have created some new programming this year and have added a weekly performer such as Mad Science, Zoovago, Ralph's World and so many more. Weekly we are getting upwards of 70 to 100 attendees per program.

### **Lunch At the Library**

This year the library is participating in Lunch at the Library. We are partnering with Heaven's Windows to provide lunches to children between 0 and 18 on Tuesdays and Thursdays. This is California State Library funded grant program, the grants funds support the programs and activities that coincide with our summer lunches. This program has become more and more popular as the weeks have gone on and now we are serving up to 40 meals a day.

#### Interviews/Recruitments

Interviews will be conducted in the second week in July for the vacant Administrations Sectary position. Interviews will also be held in the third week of July for the vacant Academic Enrichment Coordinator position. With the departure of or Technical Services Librarian the recruitment for that position is open and interviews will be held sometime in early August. We hope to have these positions filled as soon as possible.

### **ALA Conference**

Roughly 10 staff were able to attend this conference, many for the first time. It was a great opportunity for staff to be able to have some professional development opportunities, so we committed to sending as many staff as possible who wanted to attend. Technical Services Librarian Tiffany Roberts attended as a presenter. She presented as a poster session about our very successful "Parks Pass" program which ended in December of last year. We are thankful that Ms. Roberts had this professional opportunity in relation to her work with the Parks Pass Grant program and represented our Library so well.
