

Candidate Statement

Randi Castle-Salgado is running for City Council because our residents have endured failed \$400,000 Councilmember District budgets & 30% Pay increases, lackluster economic growth, and inadequate public services.

The City of National City is facing a budget deficit. Balance and accountability are required to sustain our city.

Randi Castle-Salgado an experienced Realtor, small business owner, Planning Commissioner and CERT volunteer with City of National City Fire Department

Randi Castle-Salgado has Grit, Courage, and Faith to stand up for what is right, and moral integrity to work in the interest of Residents, Not For Political Gain.

Castle-Salgado is a strong supporter of Seniors, Youth and Public Safety.

Our families deserve to feel safe in their homes, schools, and streets.

Randi is committed to working closely with our law enforcement officers to ensure they have resources and support. But public safety is more than just policing; it's about investing in community programs that prevent crime before it starts.

She will advocate for youth engagement initiatives, mental health services, and neighborhood watch programs that empower residents to keep our community secure.

Let's move National City in the right direction because National City deserves better.
