

Daniel Perez for District 4 City Council 2024

As a dedicated resident of National City, I am committed to addressing the issues that matter most to our community.

I believe in a "Community First" approach, ensuring that community voices are heard and valued in every decision we make.

Our youth are the future, and I am passionate about creating opportunities and programs that put "Youth First," fostering their growth and success.

Public safety is paramount, and I will prioritize initiatives that keep our neighborhoods and Parks safe, clean and secure.

Traffic congestion is a significant concern, and I will work tirelessly to find an effective solution that improve our daily commutes.

National City boasts a rich historical heritage, and I am committed to preserving and restoring what has been lost due to unfulfilled promises.

Together, we can build a better future for National City.
