FREQUENTLY ASKED QUESTIONS REGARDING THE CLAIMS PROCESS

Where do I get a Government Tort Claim form?

Download Claim for Damages to Person or Property Form at www.nationalcityca.gov or you may pick up a claim form at the Office of the City Clerk, located at 1243 National City Boulevard, National City, CA 91950. The City Clerk's telephone number is (619) 336-4228. Also, you can request a claim form be mailed to you via telephone at (619) 336-4300.

Does it cost me anything to file a claim?

No. The City does not charge a fee to file a claim.

How long do I have to file a claim?

Most claims must be submitted to the City Clerk within 6 months of the time the event or incident giving rise to the injury, loss or damage occurred. However, certain types of claims may be filed within 1 year of the date of the event or incident. Additionally, the Government Code provides for other exceptions to the general 6 month period. If you aren't sure whether or not you fall within one of the exceptions, you should contact an attorney. City staff members are prohibited from providing legal advice.

What information may I send with my claim form?

You may provide any information you believe will support your claim. For example, claims are often submitted along with photographs, receipts, estimates or diagrams. Please keep copies of any documents you submit because the City will not return any documents to you.

• Can I fax or email the completed claim form to the City Clerk, instead of mailing or dropping it off?

The City only accepts properly completed claims that are either (1) personally delivered to the City Clerk's office, or (2) mailed to the City Clerk's office. The claimant's <u>original signature</u> must appear on the claim form. The City does not accept claims submitted by email or facsimile.

• What happens to the claim after I submit it?

The City Clerk forwarded to the Risk Manager for review and further investigation. Depending on the facts or nature of the incident, most claims are processed within 45 days pursuant to the Government Code. You will be contacted if the Risk Manager has questions regarding your claim. If not, the Risk Manager will determine whether to approve, compromise, or deny the claim. The City's final decision will be mailed to the address listed on the claim submitted to the City.

• What happens if my claim is denied?

As required by the Government Code, the City provides all claimants (whose claims have been denied) a standard, written response outlining a claimant's legal remedies.

Is the City responsible for claims that happen while riding a public trolley or bus?

Both the San Diego Trolley and San Diego Transit (public buses) are under the jurisdiction of the Metropolitan Transit System ("MTS"). To file a claim against MTS, contact Public Transit Customer Service at (619) 238-0100.

Claimants were victims of this predictable "unnatural" disaster when multiple government entities failed to maintain and improve their drainage infrastructure. They suffered harms outlined in the damages section below.

At this time, the full extent of National City's notice, lack of maintenance, and other acts or omissions forming the basis of its liability are not known. Claimant(s) do not intend this statement to constitute a comprehensive list of the entire basis of the City's liability.

Claimants intend to bring the following legal causes of action:

- [X] Dangerous condition of public property (Gov. Code § 835)
- [X] Inverse condemnation
- [X] Trespass
- [X] Public and private nuisance
- [X] Violation of Government Code § 12955.8 Fair Employment and Housing Act
- [X] Code of Civil Procedure section 526

These causes of action are not all-inclusive, nor are all facts forming the basis for the City's liability known to Claimants at this time.
