ABOUT WOUNDED WARRIOR PROJECT'S HONOR RIDE

Wounded Warrior Project's Honor Ride is an exclusive opportunity for leaders of the business community to show their organization's support of our nation's wounded warriors. This intimate cycling event is 25 miles in length and takes approximately three hours to complete. The ride officially kicks off with a ceremonial public event where each participating organization is recognized.

Supporters will receive an official Soldier Ride National Tour jersey as well as an invitation to the press lunch and celebratory dinner reception following the ride. Each Honor Rider is responsible for raising a minimum of \$2,000 to support WWP and the mission to honor and empower wounded warriors.
