

PUBLIC WORKSHOPS

National City Marina District

The Port of San Diego and the City of National City have joined together to develop a planning study for the National City Marina District. This area is generally bordered by Bay Marina Drive on the north, Sweetwater Channel on the south, I-5 on the east, and Tidelands Avenue on the west.

As we work toward creating a framework aimed to protect maritime uses and increase visitor-serving uses, we welcome your input and invite you to join us and discuss the future of this area.

All meetings will take place on select Wednesday's (dates below) from 6 - 8 p.m. at the National City Railcar Plaza (address below).

Dates

MAY 4, 2011

Discuss opportunities, constraints, develop ideas for desired uses.

JUNE 15, 2011

Review the draft land use alternatives & participate in a collaborative session in order to develop a preferred land use plan.

AUGUST, 31, 2011

Presentation of the National City Marina District Planning Study document.

Address

National City Railcar Plaza

*840 Bay Marina Drive
National City, CA 91950*
