NOTICE OF PUBLIC COMMENT SESSION

OVERSIGHT BOARD TO THE SUCCESSOR AGENCY TO THE COMMUNITY DEVELOPMENT COMMISSION AS THE NATIONAL CITY REDEVELOPMENT AGENCY

PLEASE TAKE NOTICE that pursuant to Health and Safety Code Section 34179.6(b), the Oversight Board to the Successor Agency to the Community Development Commission as the National City Redevelopment Agency will hold a public comment session on **Tuesday, December 11, 2012, at 4:30 pm, in the City Hall Council Chambers at the City of National City, 1243 National City Blvd, National City, CA 91950** on the due diligence review results of the assets of the Successor Agency's non-housing funds. Specifically, but without limitation, any interested members of the public may comment on the amount of cash and cash equivalents in the non-housing funds determined by the due diligence review to be available for allocation to affected taxing entities prior to the Oversight Board's review, approval and transmittal of the results to the Department of Finance and County Auditor-Controller, which must occur no less than five business days after this Public Comment Session and by January 15, 2013.

As required by Health and Safety Code Section 34179.5 the Successor Agency to the Community Development Commission as the National City Redevelopment Agency retained a licensed accountant to conduct a due diligence review of the Successor Agency's assets to determine the unobligated balances available for transfer to taxing entities. The due diligence review was to be performed in two phases, the first of which pertained to the Low and Moderate Income Housing Fund and has already been completed. The second phase covers all other assets (the "non-housing" assets) of the Successor Agency and is the subject of this comment session. The licensed accountant's due diligence review of the non-housing assets is complete and the purpose of this public comment session is to allow any interested persons to comment on or question the determinations in the due diligence review prior to the Oversight Board's review and approval of the due diligence review and the net balances available for allocation to affected taxing entities.

A copy of the due diligence review of the non-housing assets may be obtained on the City of National City's website at www.nationalcityca.gov or by calling 619-336-4250.

**INDEPENDENT ACCOUNTANTS' REPORT
ON APPLYING AGREED-UPON PROCEDURES**

We have performed the procedures enumerated below, which were agreed to by the Successor Agency to the Redevelopment Agency of the City of National City (Successor Agency), the California Department of Finance, the California State Controller's Office, and the County Auditor-Controller's Office, solely to assist you in complying with the requirement for a due diligence review of the non-housing funds of the former Redevelopment Agency and the Successor Agency pursuant to Section 34179.5(c) of the California Health and Safety Code. Management of the Successor Agency is responsible for the Successor Agency's compliance with the California Health and Safety Code. This engagement to apply agreed-upon procedures was performed in accordance with the attestation standards established by the *American Institute of Public Accountants* for such engagements. The sufficiency of the procedures is solely the responsibility of the specified users of the report. Consequently, we make no representations regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. We were not engaged to, and did not; perform an examination, the objective of which would be the expression of an opinion on the specified items. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

Our procedures and results were as follows:

1. We obtained from the Successor Agency a listing of all assets (at their recorded book values) that were transferred from the former redevelopment agency to the Successor Agency on February 1, 2012. We agreed the amounts on this listing to account balances established in the accounting records of the Successor Agency.

Results: On February 1, 2012, \$50,342,887 of redevelopment fund net assets were transferred to the Successor Agency. This amount is presented in the "Total Transfers" line on EXHIBIT B in the Non-Housing column for the Successor Agency: 5 months ended June 30, 2012. The individual assets and liabilities are presented in the same column at their June 30, 2012 balances. We agreed the listing to account balances established in the accounting records of the Successor Agency.

2. If the State Controller's Office has completed its review of transfers required under both Sections 34167.5 and 34178.8 and issued its report regarding such review, attach a copy of that report as an exhibit to the AUP report. If this has not yet occurred, perform the following procedures:
 - a. We obtained a listing prepared by the Successor Agency of transfers (excluding payments for goods and services) from the former redevelopment agency to the city, county, or city and county that formed the redevelopment agency for the period from January 1, 2011 through January 31, 2012.

Results: The State Controller's Office has not completed the review of transfers. There were no transfers made to the city or county for the period from January 1, 2011 through January 31, 2012.

- b. We obtained a listing prepared by the Successor Agency of transfers (excluding payments for goods and services) from the Successor Agency to the city, county, or city and county that formed the redevelopment agency for the period from February 1, 2012 through June 30, 2012.

Results: There were no transfers made to the city or county for the period from February 1, 2012 through June 30, 2012.

- c. For each transfer, we obtained the legal document that formed the basis for the enforceable obligation that required any transfer.

Results: This step is not applicable.

3. If the State Controller's Office has completed its review of transfers required under both Sections 34167.5 and 34178.8 and issued its report regarding such review, attach a copy of that report as an exhibit to the AUP report. If this has not yet occurred, perform the following procedures:

- a. We obtained a listing prepared by the Successor Agency of transfers (excluding payments for goods and services) from the former redevelopment agency to any other public agency or to private parties for the period from January 1, 2011 through January 31, 2012.

Results: There were no transfers for the period from January 1, 2011 through January 31, 2012 to any other public agency or private party.

- b. We obtained a listing prepared by the Successor Agency of transfers (excluding payments for goods and services) from the Successor Agency to any other public agency or private parties for the period from February 1, 2012 through June 30, 2012.

Results: There were no transfers for the period from February 1, 2012 through June 30, 2012 to any other public agency or private party.

- c. For each transfer, we obtained the legal document that formed the basis for the enforceable obligation that required any transfer.

Results: This step is not applicable.

4. We obtained from the Successor Agency a summary of the financial transactions of the Redevelopment Agency and the Successor Agency in the format set forth in the California State Controller's Office's procedures for the fiscal year ended June 30, 2010, the fiscal year ended June 30, 2011, the period July 1, 2011 through January 31, 2012, and the period February 1, 2012 through June 30, 2012. For each period presented, we determined that the total of revenues, expenditures, and transfers accounted fully for the changes in equity from the previous fiscal period. We compared amounts in the schedule relevant to the fiscal year ending June 30, 2010 to the state controller's report filed for the Redevelopment Agency for that period.

Results: The schedule is presented at EXHIBIT B. This June 30, 2010 State Controller's Report and the Community Development Commission audited financial statements for the fiscal year ended June 30, 2011 included other Community Development Commission funds that were not Redevelopment Agency funds such as CDBG, Section 8, HOME, and other funds. These non-Redevelopment Agency funds have been excluded from EXHIBIT B.

5. We obtained from the Successor Agency a listing of all assets of the Redevelopment Agency Funds (excluding the Low and Moderate Income Housing Fund) as of June 30, 2012. We also agreed the assets listed to recorded balances reflected in the accounting records of the Successor Agency.

Results: The listing of assets is included in EXHIBIT B. We agreed the assets listed to the accounting records to the Successor Agency without exception.

6. Obtain from the Successor Agency a listing of asset balances held on June 30, 2012 that are restricted for specific purposes and performed the following procedures:

- a. Unspent bond proceeds:

- i. We obtained the Successor Agency's computation of the restricted balances (e.g., total proceeds less eligible project expenditures, amounts set aside for debt service payments, etc.).
- ii. Trace individual components of this computation to related account balances in the accounting records, or to other supporting documentation (specify in the AUP report a description of such documentation).
- iii. Obtain from the Successor Agency a copy of the legal document that sets forth the restriction pertaining to these balances.

Results: See EXHIBIT E. We agreed the amounts to the accounting records and investment statements. We reviewed the legal documents that set forth the restrictions and verified that the associated bonds are on the approved ROPS.

- b. Grant proceeds and program income that are restricted by third parties:

- i. We obtained the Successor Agency's computation of the restricted balances.
- ii. We traced individual components of this computation to related account balances in the accounting records, or to other supporting documentation.
- iii. We obtained from the Successor Agency a copy of the grant agreement that sets forth the restriction pertaining to these balances.

Results: There are no grant proceeds or program income.

- c. Other assets considered to be legally restricted:

- i. We obtained the Successor Agency's computation of the restricted balances (e.g., total proceeds less eligible project expenditures).

- ii. We traced individual components of this computation to related account balances in the accounting records, or to other supporting documentation.
- iii. We obtained from the Successor Agency a copy of the legal document that sets forth the restriction pertaining to these balances.

Results: There are no other assets considered to be legally restricted.

- d. We attached the above mentioned Successor Agency prepared schedule(s) as an exhibit to the AUP report. For each restriction identified on these schedules, we indicated in the report the period of time for which the restrictions are in effect.

Results: See EXHIBIT E.

- 7. We obtained from the Successor Agency a listing of assets as of June 30, 2012 that are not liquid or otherwise available for distribution (such as capital assets, land held for resale, long-term receivables, etc.) and ascertained if the values are listed at either purchase cost (based on book value reflected in the accounting records of the Successor Agency) or market value as recently estimated by the Successor Agency.
 - a. If the assets listed at 7(a) were listed at purchase cost, we traced the amounts to a previously audited financial statement (or to the accounting records of the Successor Agency) and noted any differences.
 - b. For any differences noted in 7(b), we inspected evidence of disposal of the asset and ascertained that the proceeds were deposited into the Successor Agency trust fund.
 - c. If the assets listed at 7(a) were listed at recently estimated market value, we inspected the evidence (if any) supporting the value and noted the methodology used.

Results: See EXHIBIT C. All amounts are reported at purchase cost. For capital assets, we traced the amounts to previously audited financial statements and current year accumulated depreciation additions. For loans receivable, we traced amounts to previously audited financial statements and current year repayments. For land held for resale, we traced amounts to previously audited financial statements.

- 8. We performed the following procedures:

- a. For assets balance needed to be retained to satisfy enforceable obligations, we obtained from the Successor Agency an itemized schedule of asset balances (resources) as of June 30, 2012 that are dedicated or restricted for the funding of enforceable obligations and performed the following procedures:
 - i. We compared all information on the schedule to the legal documents that form the basis for the dedication or restriction of the resource balance in question.
 - ii. We compared all current balances to the amounts reported in the accounting records of the Successor Agency or to an alternative computation.

- iii. We compared the specified enforceable obligations to those that were included in the final Recognized Obligation Payment Schedule approved by the California Department of Finance.
- iv. We attached as an exhibit to the report the listing obtained from the Successor Agency. We also identified in the report any listed balances for which the Successor Agency was unable to provide appropriate restricting language in the legal document associated with the enforceable obligation.

Results: There are no other assets that are legally or contractually dedicated or restricted for the funding of an enforceable obligation.

- b. For future revenues together with balances dedicated or restricted to an enforceable obligation are insufficient to fund future obligation payments and thus retention of current balances is required, we obtained from the Successor Agency a schedule of approved enforceable obligations that included a projection of the annual spending requirements to satisfy each obligation and a projection of the annual revenues available to fund those requirements and performed the following procedures:
 - i. We compared the enforceable obligations to those that were approved by the California Department of Finance.
 - ii. We compared the forecasted annual spending requirements to the legal document supporting each enforceable obligation by obtaining from the Successor Agency its assumptions relating to the forecasted annual spending requirements and disclose in the report major assumptions associated with the projections.
 - iii. For the forecasted annual revenues, we obtained the assumptions for the forecasted annual revenues and disclosed the major assumptions associated with the projections.

Results: This procedures is not applicable.

- c. For projected property tax revenues and other general purpose revenues that were received by the Successor Agency are insufficient to pay bond debt service payments, we obtained from the Successor Agency a schedule demonstrating this insufficiency and applied the following procedures to the information reflected in that schedule:
 - i. We compared the timing and amounts of bond debt service payments to the related bond debt service schedules in the bond agreement.
 - ii. We obtained the assumptions for the forecasted property tax revenues and disclose major assumptions associated with the projections.
 - iii. We obtained the assumptions for the forecasted other general purpose revenues and disclose major assumptions associated with the projections.

Results: This procedure is not applicable.

- d. If procedures, A, B, or C were performed, we calculated the amount of current unrestricted balances necessary for retention in order to meet the enforceable obligations by performing the following procedures:

- i. We combined the amount of identified current dedicated or restricted balances and the amount of forecasted annual revenues to arrive at the amount of total resources available to fund enforceable obligations.
- ii. We reduced the amount of total resources available by the amount forecasted for the annual spending requirements.

Results: This procedure is not applicable.

9. For cash balances as of June 30, 2012 that need to be retained to satisfy obligations on the Recognized Obligation Payment Schedule (ROPS) for the period of July 1, 2012 through June 30, 2013, we obtained a copy of the final ROPS for the period of July 1, 2012 through December 31, 2012 and a copy of the final ROPS for the period January 1, 2013 through June 30, 2013.

Results: EXHIBIT D summarizes the net enforceable obligations over/under available funding for ROPS 2 (July 1, 2012 to December 31, 2012) and ROPS 3 (January 1, 2013 to June 30, 2013). We compared the projected property tax and estimated admin fees and pass throughs for ROPS 3 to correspondence from the County of San Diego. We determined the reasonableness of revenue from interest and rents without exception. For the RORF Obligations, we reconciled the amounts presented to the applicable approved ROPS line item for ROPS 2 and ROPS 3. The schedule also includes the County of San Diego true-up payment made on July 12, 2012 in the amount of \$4,272,833.

10. We have included a schedule detailing the computation of the Balance Available for Allocation to Affected Taxing Entities.

Results: See EXHIBIT A. There is no balance available for distribution to the affected taxing entities.

11. We obtained a representation letter from management acknowledging their responsibility for the data provided to the practitioner and the data presented in the report or in any attachments to the report.

Results: No exceptions noted as a result of this procedure.

This letter is intended solely for the information and use of the Oversight Board of the Successor Agency to the Redevelopment Agency of the City of National City, the Successor Agency to the Redevelopment Agency of the City of National City, the California Department of Finance, the California State Controller's Office, and the County of San Diego's Auditor-Controller's Office and is not intended to be and should not be used by anyone other than those specified parties.
